

Great Lakes Grain & Transportation Freeland Bean & Grain

Great Lakes Grain & Transportation is partnering with Freeland Bean & Grain to offer a Price Late Agreement for the 2020 Crop of Organic Corn with the following terms

Effective September 1st, 2020

GLGT offers two PLA choices for wet corn delivered to GLGT-Freeland Bean and Grain for the 2020 crop.

PLA PLAN A TERMS AND CONDITIONS

Beginning December 1, 2020, a PLA fee of .50 cents per bushel for six (6) months. (December 2020, January 2021, February 2021, March 2021, April 2021, May 2021)

If your organic corn is not priced by May 31, 2021, a PLA fee of .08 cents per bushel per month will be charged for June 2021, July 2021, August 2021.

The .50 cents per bushel PLA fee must be paid by May 31, 2021 if the grain has not been priced prior to May 31, 2021. The balance of the PLA fees must be paid when grower sells and prices the grain.

All grain must be priced by August 31, 2021

PLA PLAN B TERMS AND CONDITIONS

Beginning December 1, 2020, a PLA fee of .35 cents per bushel for three (3) months. (December 2020, January 2021, February 2021).

If your organic corn is not priced by February 28, 2021, a PLA fee of .10 cents per bushel per month will be charged for March 2021, April 2021, May 2021, June 2021, July 2021, August 2021.

The .35 cents per bushel PLA fee must be paid by February 28, 2021 if the grain has not been priced prior to May 31, 2021. The balance of the PLA fees must be paid when grower sells and prices the grain.

All grain must be priced by August 31, 2021

ADDITIONAL TERMS AND CONDITIONS

Plan ahead and reserve your drying and PLA space. Reservation fee of .10 cents per bushel.

GLGT and FBG are offering the grower a marketing choice. The grower can request the organic corn on the PLA to be loaded out for the growers account. GLGT's load out fee will be .30 cents per bushel. All drying, PLA and load out fees must be paid before loading out.

All drying charges must be paid by January 15, 2021.
