Prices for straight materials are available on request.

1. This price schedule cancels and supersedes all previous schedules for this area and is subject to change without notice.
2. DELIVERY: These are delivered prices to Agent's railroad station or warehouse in full truckload or in carload lots of 30 tons or more. On rail shipments in less than 30 ton carloads, the freight charges in excess of 30 ton rail rates will be added separately to invoice. Rail freight charges will be prepaid.
