

Do business with us on the go from your tablet or smartphone

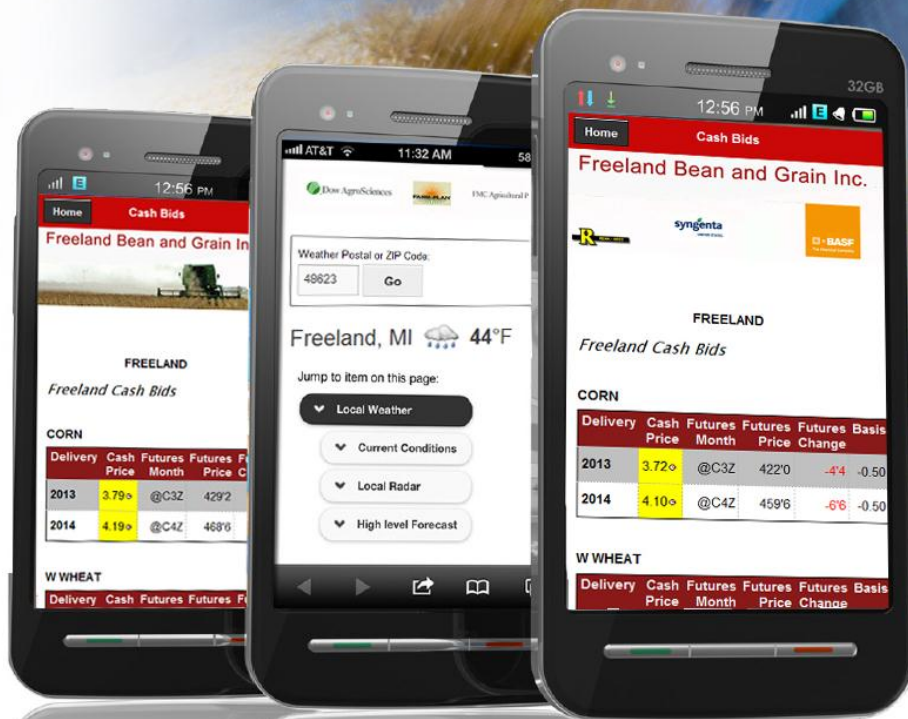

Freeland Bean and Grain, Inc.

We've updated our website with DTN AgHost®

Mobile functionality. It allows you to easily access our site, via your smartphone or tablet — adapting our content and tools to fit your device's screen and functionality.

With it, you can:

- **Be more efficient** — with all of the information you need, instantly at your fingertips — accessible and optimized for easy viewing on your mobile device
- **Quickly make your best decisions** — with fast access to our cash bids, watchlists, charts, quotes, DTN weather, DTN ag news — and even our secure, online transactional portal
- **Do business with us at your convenience** — identify marketing opportunities, make offers, transact business, and manage your positions and commitments — anywhere you are, anytime of the day or night
